**Subject: Request for Approval of a Nine-Month Extension of the Compliance  
Schedule for the Bishop-Sunland Solid Waste Site (Facility No. 14-AA-0005),  
Inyo County**

Dear Mr. Moskowitz:

I have received and considered your agency's June 16, 2011 request to extend the compliance schedule due date by nine months from March 3, 2011 to December 25, 2011 for the Bishop-Sunland Solid Waste Site, a facility on the Inventory of Solid Waste Facilities Which Violate State Minimum Standards. I hereby approve your request for the extension of the compliance schedule until December 25, 2011.

CalRecycle staff are encouraged by the effort the operator has put forth and the progress made since the issuance of the revised compliance schedule on September 30, 2010. Staff also commends the LEA for the continued diligence in pursuing correction of the violation of the applicable state minimum standard with the operator and owner to obtain full compliance.

Thank you for your work in the matter of the Bishop-Sunland Solid Waste Site and in your commitment to a partnership with CalRecycle staff. If you have further questions regarding this letter, please contact Ms. Georgianne Turner, Manager of the Solid Waste Enforcement Section at (916) 341-6429 or at [georgianne.turner@calrecycle.ca.gov](mailto:georgianne.turner@calrecycle.ca.gov).

Sincerely,
